Literacy Pittsburgh**

Report on the Financial Statements

We have audited the accompanying financial statements of Literacy Pittsburgh (LP), (a nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of LP as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2021 on our consideration of LP's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of LP's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering LP's internal control over financial reporting and compliance.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

1. Organization

The mission of Literacy Pittsburgh (LP), a nonprofit corporation, is better lives through learning. LP provides education for adults and children in reading, writing, math, English language, GED preparation, computer skills, and workforce skills. Starting in fiscal year 2017, LP put an increasing emphasis on preparing students for employment and/or postsecondary education. LP envisions a more inclusive and productive community driven by access to education.

LP was incorporated in 1982 and changed its name from Greater Pittsburgh Literacy Council in February 2018. LP's primary adult and family education programs are coordinated by 44 employees at 12 locations in the Pittsburgh, Pennsylvania, metropolitan area. LP's volunteer tutors, AmeriCorps members, and professional staff served 2,034 and 4,416 learners in the Pittsburgh area during the years ended June 30, 2021 and 2020, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recognized as they are earned, and expenses are recorded when liabilities are incurred.

Basis of Presentation

Literacy Pittsburgh classifies its net assets and its revenue, support, and expenses based on the existence or absence of donor-imposed restrictions. Net assets with donor restrictions result from contributions specifically restricted by donors for various programs or future periods. Net assets without donor restrictions represent resources over which the Board of Directors (Board) has discretionary control.

Use of Estimates

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. In preparing the financial statements, management is required to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ significantly from those estimates.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. LP maintains its cash accounts at one commercial bank located in the City of Pittsburgh. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution. LP had cash balances of \$1,972,729 and \$1,698,477 in excess of FDIC insured limits at June 30, 2021 and 2020, respectively. Management has no concerns regarding the solvency of the financial institutions involved at the current time.

Liquidity and Availability

LP manages its liquid resources by focusing on fundraising efforts to ensure the entity has adequate contributions and grants to cover the programs that are being conducted. LP prepares very detailed budgets and has been very active in cutting costs to ensure the entity remains liquid.

The following reflects LP's financial assets (cash and cash equivalents, grants and accounts receivable, and investments) as of June 30, 2021 and 2020 expected to be available within one year to meet the cash needs for general expenditures:

	<u>2021</u>	<u>2020</u>
Financial assets, at year-end	\$ 5,605,479	\$ 4,660,399
Less: those unavailable for general expenditures within one year, due to:		
Contractual or donor-imposed restrictions:		
Restricted by board designation	(668,688)	(531,752)
Restricted by donor with time or purpose restrictions	(2,587,934)	(1,929,324)
Restricted for permanent endowment	<u>(896,890)</u>	<u>(896,890)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,451,967</u>	<u>\$ 1,302,433</u>

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

Grants and Accounts Receivable

Grants receivable represent amounts awarded by donors and government agencies that have not been received. Management has determined that no allowance was considered necessary at June 30, 2021 and 2020. Grants receivable are expected to be received within one year. The grants receivable balance as of June 30, 2021 and 2020 was \$299,682 and \$288,063, respectively.

Receivables from contracts with customers are reported as accounts receivable, net any allowance. Management determines the allowance for doubtful accounts based on historical experience, an assessment of economic conditions, and a review of subsequent collections. No allowance was deemed necessary for the years ended June 30, 2021 and 2020. The accounts receivable balance as of June 30, 2021 and 2020 was \$94,039 and \$39,834, respectively

Revenue and Revenue Recognition

Contributions are recognized when a donor makes an unconditional promise to give and are recorded as with donor restrictions or without donor restrictions depending on the existence or nature of any donor restrictions. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Conditional grants received in advance are recorded as refundable advances. During the year ended June 30, 2020, LP was awarded one conditional contribution in the amount of \$300,000. \$200,000 and \$100,000 was received in cash during the years ended June 30, 2021 and 2020, respectively, and was recorded as a refundable advance as conditions had not been met at the time of receipt. Conditions were met and revenue was recognized on the original \$100,000 during the year ended June 30, 2021. The remaining \$200,000 of the conditional contribution is recorded as refundable advance as of June 30, 2021, as the remaining conditions have not been met.

Support that is restricted by the donor is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time period has elapsed, or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

A portion of the LP revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/ or the

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when LP has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. LP was awarded cost-reimbursable grants of \$47,047 and \$89,509 that have not been recognized at June 30, 2021 and 2020, respectively, because qualifying expenditures have not yet been incurred.

LP recognizes program income at the time services are provided, as that is when the performance obligations are met.

Payments for program services and special event sponsorships received in advance of service delivery are deferred.

The initial application of the revenue recognition standards was applied to contracts that were not completed at the date of the initial application. There have been no changes in the significant judgments related to the amount and timing of revenue from program service contracts, and there are no impairment losses recognized related to these contracts.

Refundable Advance

Refundable advances were \$200,000 and \$633,600 for the years ended June 30, 2021 and 2020, respectively. This represents refundable advance amounts, or conditional contributions that have been received in advance of the condition being met. At June 30, 2021 and 2020, refundable advance balance is made up of the following:

	<u>2021</u>	<u>2020</u>
Heinz Endowments - Ready and Relevant	\$ 200,000	\$ 100,000
Event sponsorships	29,887	-
Paycheck Protection Program Loan	-	533,600
	<u>\$ 229,887</u>	<u>\$ 633,600</u>

Fixed Assets, Depreciation, and Amortization

Fixed assets are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from three to fifteen years. Fixed asset purchases and major leasehold improvements and betterments to equipment in excess of \$5,000 are capitalized.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

Donated furniture, fixtures, and equipment are recorded as support at their estimated fair value at the time of donation. Donated items are capitalized or expensed following the same capitalization threshold as purchased items. Such donations are reported as net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as net assets with donor restrictions. In the absence of donor stipulations regarding how long those assets must be maintained, LP reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. LP reclassifies net asset with donor restrictions to net assets without donor restrictions at that time.

Fair Value Measurements

LP applies fair value accounting for all financial assets and liabilities and non-financial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. LP defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities, required to be recorded at fair value, LP considers the principal or most advantageous market in which LP would transact and the market-based risk measurements or assumptions that market participants would use in pricing the asset or liability, such as inherent risk, transfer restrictions, and credit risk.

LP applies the following fair value hierarchy, which prioritizes the inputs used to measure fair value into three levels and bases the categorization within the hierarchy upon the lowest level of input that is available and significant to the fair value measurement:

- Level 1 - Observable inputs such as quoted prices in active markets for identical investments that LP has the ability to access.
- Level 2 - Inputs include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.
- Level 3 - Unobservable inputs in which there is little or no market activity for the asset or liability, which require the management to develop its own estimates and

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

assumptions relating to the pricing the asset or liability including assumptions regarding risk.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments

Investments are composed of money market and mutual funds investing in debt, real estate, and equity securities and are reported at fair value based on readily determinable market quotations. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statements of financial position.

Donor-restricted endowment unrealized gains and losses are recognized as increases or decreases in net assets with donor restrictions until the Board appropriates the earnings for use at which time the earnings appropriated are reclassified to net assets without donor restrictions. Interest on the endowment, dividends, and net realized and unrealized gains and losses are reflected as part of investment gain included in the statements of activities.

Compensated Absences

Vacation is earned at various rates, depending upon length of service and number of hours worked per week. Employees can carry over up to ten vacation days from the preceding calendar year. Upon termination of employment, employees are paid for accrued vacation; however, employees discharged for cause do not receive payment of accrued vacation.

Donated Materials, Equipment, and Services

Donated materials, equipment, and services recognizable under generally accepted accounting principles are reflected as in-kind contributions in the accompanying statements at their estimated fair values at the date of receipt.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

Income Taxes

LP is a tax-exempt charitable organization under Section 501(c)(3) of the Internal Revenue Code. LP annually files federal and state information returns as required. Accordingly, no provision for federal or state income taxes is recorded in the financial statements.

Financial Instruments

The following methods and assumptions were used by LP in estimating its fair value disclosures for financial instruments:

- Cash, cash equivalents, and grants receivable: The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.
- Short-term and endowment investments: The fair values of investments are based on quoted market prices for those or similar investments. See Note 4 for further disclosure.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated between program and supporting services.

Several non-payroll related costs are subject to a grant/project allocation process (rent, utilities, and communication costs). These allocations use the most relevant allocation methodology as it applies to the cost. A time analysis based on employee percentage of effort is completed to determine how indirect costs will be allocated across the various programs, management and general, and fundraising.

Adopted Accounting Standard

The provisions of this Standards Update have been adopted and incorporated into these financial statements.

ASU 2018-13, *“Changes to the Disclosure Requirements for Fair Value Measurement (Topic 820).”* The amendments remove and modify certain fair value hierarchy leveling disclosures.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

The implementation of these amendments was applied retrospectively to all periods presented. Implementation did not impact the Organization's financial statements.

Pending Accounting Standards Updates

The Financial Accounting Standards Board (FASB) has issued Accounting Standards Updates (individually and collectively, ASU) that will become effective in future years as outlined below. Management has not yet determined the impact of this update on the financial statements.

ASU 2016-02, "*Leases (Topic 842)*," is effective, as delayed, for the financial statements for the year beginning after December 15, 2021. These amendments and related amendments will require lessees to recognize assets and liabilities on the statement of financial position for the rights and obligations created by all leases with terms of more than twelve months. Disclosures also will be required by lessees to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

ASU 2020-07, "*Not-For-Profit Entities (Subtopic 958): Presentation and Disclosures by Not-For-Profit Entities for Contributed Nonfinancial Assets*," is effective for reporting periods beginning after June 15, 2021. The amendments in this update address presentation and disclosure of contributed nonfinancial assets.

ASU 2016-13, "*Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*," is effective, as delayed, for the financial statements for the year beginning after December 15, 2022. These amendments and related amendments require a financial asset (or a group of financial assets) measured at amortized cost basis to be presented at the net amount expected to be collected. This includes loans, debt securities, trade receivables, net investments in leases, off-balance-sheet credit exposures, reinsurance receivables, and any other financial assets not excluded from the scope that have the contractual right to receive cash.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

3. In-Kind Donations

LP recognized certain in-kind revenues and expenses for rent, supplies, student materials, and special event donations, which were provided by donors or partner agencies at no cost to LP. These amounts are identified in the statements of activities as in-kind revenues.

For the years ended June 30, 2021 and 2020, in-kind revenues totaled \$0 and \$18,144, respectively, and consisted of \$0 and \$10,500, respectively, of rent and other occupancy. In-kind revenue also included \$7,644 of donated auction items for the year ended June 30, 2020 and are included in other assets as of June 30, 2021 and 2020.

During the years ended June 30, 2021 and 2020, LP was the beneficiary of approximately 22,132 and 23,330 hours, respectively, of instructional services provided by volunteers who donated their time for tutoring, training, and student support. No amounts have been reflected in the financial statements since the volunteers' time does not meet the criteria for financial statement recognition.

4. Investments

Investments consist of money market and mutual funds. Cash and cash equivalents, reported with investments on the statements of financial position, are available to be invested, with the assistance of external advisors, in equity or longer-term debt instruments. Since there is no intent to liquidate the cash and cash equivalents for short-term operating needs, they are presented as long-term investments.

The total returns on investments and cash equivalents for the year ended June 30, 2021 are summarized as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Interest and dividend income	\$ 93	\$ 65,131	\$ 65,224
Net realized and unrealized gains (losses)	155,351	552,041	707,392
Total investment gain (loss)	<u>\$ 155,444</u>	<u>\$ 617,172</u>	<u>\$ 772,616</u>

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

The total returns on investments and cash equivalents for the year ended June 30, 2020 are summarized as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Interest and dividend income	\$ 3,428	\$ 79,805	\$ 83,233
Net realized and unrealized gains (losses)	(27,044)	(96,100)	(123,144)
Total investment gain (loss)	<u>\$ (23,616)</u>	<u>\$ (16,295)</u>	<u>\$ (39,911)</u>

As indicated below, at June 30, 2021 and 2020, all LP investments were valued using Level 1 inputs. Fair values of assets measured on a recurring basis as of June 30, 2021 are as follows:

Description	Total	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Paycheck Protection Program funds	533,600	-
Other	184,633	82,182
	<u>\$ 2,993,494</u>	<u>\$ 2,445,578</u>

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

6. Grants Receivable

Grants receivable balances at June 30, 2021 and 2020 consist of the following:

	<u>2021</u>	<u>2020</u>
PA Department of Labor - Compass AmeriCorps	\$ 44,148	\$ 56,558
Birmingham Foundation	-	50,000
PA Department of Education	255,534	166,709
Other	-	14,796
	<u>\$ 299,682</u>	<u>\$ 288,063</u>

7. Paycheck Protection Program

In April 2020, LP received a \$533,600 United States Small Business Administration (SBA) loan through the Federal Government's Paycheck Protection Program (PPP) that resulted from the COVID-19 pandemic. The loan was eligible for 100% forgiveness if certain criteria were met. LP utilized the allowable 24-week period to spend the PPP loan for expenditures that meet the full forgiveness criteria. As of June 30, 2020, the PPP was treated as a conditional grant for which all conditions had not been met. Therefore, PPP loan proceeds were reported as a refundable advance.

LP applied for and received full forgiveness of the PPP loan on March 10, 2021. Therefore, LP has recorded \$533,600 as a government grant on the statement of activities as of June 30, 2021.

8. Leases

LP's operations and administration are carried out in various leased and donated spaces throughout their service area. The terms for these leased facilities range from one to ten years. Rent expense incurred during the years ended June 30, 2021 and 2020, totaled \$289,477 and \$294,174, respectively, including donated space valued at \$0 and \$10,500, respectively.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

During the fiscal year ended June 30, 2018, LP signed a lease extension with its landlord for an additional ten years commencing on November 1, 2019. Scheduled lease payments for the remaining term of the leases including extension are as follows:

<u>Fiscal Year</u>	<u>Amount</u>
2022	\$ 269,078
2023	243,967
2024	248,846
2025	248,846
2026	258,605
Thereafter	<u>878,280</u>
	<u>\$ 2,147,622</u>

Investment in perpetuity	896,890	896,890
Accumulated gains on endowment	1,480,735	994,098
Total net assets with donor restrictions	<u>\$ 3,484,824</u>	<u>\$ 2,826,214</u>

During the years ended June 30, 2021 and 2020, net assets in the amount of \$638,502 and \$553,236, respectively, were released from donor restrictions by incurring expenses satisfying the restricted purpose.

During the years ended June 30, 2021 and 2020, net assets in the amount of \$130,535 and \$127,082, respectively, were released as endowment earnings appropriated for expenditure.

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

10. Endowments

LP's endowment consists of one fund established to support its mission. Its endowment includes both donor-restricted endowment funds and funds designated by the Board to function as endowments. Net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Commonwealth of Pennsylvania has not enacted a version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA), or a version of the Uniform Management of the Institutional Funds Act (UMIFA). Governing law resides in 15 Pa. C.S. § 5548 "Investment of Trust Funds," as amended by Pennsylvania State Act 141 of 1998 (Act). LP has interpreted relevant law as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund absent explicit donor stipulations to the contrary. As a result of this interpretation, LP classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment if required by the applicable donor gift instruments. The remaining portion of the endowment fund is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by LP in a manner consistent with the standard of prudence prescribed by relevant law.

Endowment Spending Policy

LP's Board -approved endowment spending policy allows LP to spend in any fiscal year, five percent of the prior three-year average endowment fair value to support LP's mission. Endowment transfers in excess of this five percent annual amount may be explicitly approved by LP's Board to support special projects, the nature of which is to build the long-term strength of LP. This spending policy is in accordance with Pennsylvania law and donor restrictions.

Return Objectives and Risk Parameters

Endowment funds include funds actively managed by LP as part of a single commingled investment pool. The principal financial objective of the endowment is that the endowment principal should be preserved and if possible enhanced to help ensure LP's financial future. The productivity of the endowment must strike a balance between the preservation of

LITERACY PITTSBURGH

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2021 AND 2020

principal in real terms for perpetuity and supporting a spending policy that sustains the mission of LP. To monitor the effectiveness of the investment strategy of the endowment, performance goals are established to exceed the expected real rate of return, established benchmark indices, and the median return of comparable endowment funds.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate of return objectives, LP relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). LP targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires LP to retain as a fund of perpetual duration or the original corpus of the permanent gift. There were no such deficiencies as of June 30, 2021 and 2020.

Endowment net asset composition by fund type as of June 30, 2021:

11. Retirement Savings Plan

LP maintains a 401(k) Retirement Savings Plan (Plan) covering substantially all of the employees. Employees are eligible for admittance to the Plan after three months of service. LP will provide a matching contribution to eligible participants up to a maximum of two percent of their compensation. Effective January 2020, the matching contribution was increased to a maximum of three percent of compensation. LP may also make an annual contribution to the Plan at the discretion of the Board of Directors. Participants are eligible to receive this discretionary contribution after completing a year of service (750 hours in a year). A discretionary contribution of 2% was provided to all eligible participants during the years ended June 30, 2021 and 2020. Participants will not be vested in either LP's matching or discretionary contribution until they complete three years of service. LP made total contributions of approximately \$84,000 and \$75,000 during the years ended June 30, 2021 and 2020, respectively.

LITERACY PITTSBURGH

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2021

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (Schedule) includes the federal award activity of Literacy Pittsburgh (LP) under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of LP, it is not intended to and does not present the financial position, changes in net assets, or cash flows of LP.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowed or are limited as to reimbursement. The Schedule is based upon information provided by the various funding sources to LP and other information available at the time this Schedule was prepared. For the year ended June 30, 2021, LP did not elect to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Literacy Pittsburgh

Independent Auditor's Reports
Required by the Uniform Guidance

Year Ended June 30, 2021

Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

**Board of Directors
Literacy Pittsburgh**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Literacy Pittsburgh (LP), (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon December 9, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered LP’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of LP’s internal control. Accordingly, we do not express an opinion on the effectiveness of LP’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Literacy Pittsburgh
Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters

Compliance and Other Matters

As part of obtaining reasonable assurance about whether LP's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Maker Duessel

Pittsburgh, Pennsylvania
December 9, 2021

Independent Auditor's Report on Compliance for its Major Program and on Internal Control over Compliance Required by the Uniform Guidance

Board of Directors
Literacy Pittsburgh

Report on Compliance for its Major Federal Program

We have audited Literacy Pittsburgh's (LP) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on LP's major federal program for the year ended June 30, 2021. LP's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for LP's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about LP's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for its major federal program. However, our audit does not provide a legal determination of LP's compliance.

Board of Directors
Literacy Pittsburgh
Independent Auditor's Report on Compliance for
its Major Program and Internal Control over Compliance

Opinion on its Major Federal Program

In our opinion, LP complied, in all material respects, with the types of compliance requirements referred to above that that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of LP is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered LP's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of LP's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Literacy Pittsburgh
Independent Auditor's Report on Compliance for
its Major Program and Internal Control over Compliance

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
